About the ISC-M

Islamic Education

The prophet of Allah (PBUH) said, "Whoever follows a path in the pursuit of knowledge, Allah will make a path to Paradise easy for him." In effort to pursue our children's education, it is necessary to give proper attention to Islamic and Qur'anic education.

Located in central Missouri. The Islamic School of Columbia-Missouri was established in 1998 to provide exceptional education in an Islamic environment.

The mission of ISC-M is to please Allah (SWT) through excellence in education, and to guide students towards realization of their full spiritual, intellectual, emotional, and social potential. The ISC-M works to achieve this mission by providing a comprehensive program of meaningful, value-based learning experiences.

The ISC-M

The Islamic school of Columbia Missouri offers education that will help develop and preserve the Muslim personality in all aspects of life. Students work to achieve excellence through the teachings of the Qur'an and traditions of the Prophet Mohammad (PBUH) and his companions. The ISC-M helps students build a relationship with Allah (SWT).

Our staff is dedicated to your child's education. With several certified and efficient teachers, and several others working towards certification, your child's education will be in good hands. Students who graduated from the Islamic school have been recognized state-wide for their achievements.

Financial Need

"The parable of those who spend of their substance in the way of Allah is that of a grain of corn: It grows seven ears, and each ear has a hundred grains. Allah gives manifold increase to whom He pleases; And Allah cares for all and He knows all things."

Qur'an (2:261)

The ISC-M requires approximately \$250,000 annually to provide its students with the highest caliber education possible. The small amount charged for tuition does little to cover the expenses. The ISC-M greatly relies on your kind and generous donations to continue providing quality service.
